**VSoft Corporation Named to *Software Magazine's*
27th Annual Software 500 for Second Consecutive Year**
- *Technology provider recognized as one of world's largest software firms* -

ATLANTA, Oct. 19, 2009 – [VSoft Corporation](#), a global information and technology provider of process improvement solutions for financial institutions, today announced its inclusion on *Software Magazine's* Software 500, a ranking of the world's largest software and service providers, now in its 27th year.

"The 2009 Software 500 results show that revenue growth in the software and services industry was healthy, with total Software 500 revenue of \$491.3 billion worldwide for 2008 representing 8.8% growth from the previous year," says John P. Desmond, editor of *Software Magazine* and Softwaremag.com.

The Software 500 is a revenue-based ranking of the world's largest software and services suppliers targeting medium to large enterprises, their IT professionals, software developers and business managers involved in software and services purchasing.

"We are honored to be included in *Software Magazine's* annual list for a second consecutive year," said Murthy Veeraghanta, Chairman, VSoft Corporation. "Our solutions are geared to improve operations and grow deposits for our financial institution clients through significant cost savings, improved processes and excellent customer service, all of which are critical in navigating today's harsh economy. Our inclusion in the Software 500 is a testimony to our commitment and hard work for bringing maximum value to our clients, and we're pleased to be named among the world's leading software companies."
