TotalBank Partners with VSoft for Imaging Solutions

VSoft delivers efficiency, customer service benefits to Miami financial institution

PHOENIX, March 7, 2011 – [VSoft Corporation](#), a global information and technology provider of process improvement solutions for financial institutions, announced at BAI Payments Connect 2011 that Miami-based [TotalBank](#) (\$2 billion in assets) recently implemented VSoft's Agile Branch™ Capture Solution, Remote Deposit Capture™ Solution (RDC), Image Exchange™ Solution and complete Electronic Day-Two Processing.

TotalBank, a member of [Grupo Banco Popular Español](#), the third largest banking group in Spain with more than \$185 billion in assets, selected VSoft's imaging solutions to reduce operational costs and maximize efficiency. With VSoft, TotalBank can better serve the financial needs of South Florida residents and its growing Hispanic market.

"In the rapidly growing market that we serve, providing top-notch service and convenience is paramount," said Andy Collazo, senior vice president of Operations & IT for TotalBank. VSoft's solutions enable TotalBank to uphold our commitment to excellence. Our customers are very diverse so we need to provide them with solutions to meet their unique banking needs. VSoft's comprehensive, advanced programs are easy to use and help us improve productivity, allowing our staff to fully concentrate on providing quality service to customers. "

"At VSoft, we are committed to developing high-performance and versatile banking solutions with the quickest possible speed-to-market," said Mr. Murthy Veeraghanta, CEO for VSoft. "Our goal is to provide flexible, scalable solutions that will enable financial institutions to attain their long-term growth strategies. TotalBank can easily add products and services as needed and also adapt to today's rapidly changing regulations. We look forward to a long partnership with them."
