CORETRAC, INC AND VSOFT CORPORATION FORM ALLIANCE TO DELIVER INTEGRATED SOLUTION

Integrated solution combines CRM/Sales Force Automation with core processing system

AUSTIN, TX & DULUTH, GA.—Dec. 23, 2010— CoreTrac, Inc., a leader in banking-specific Client Relationship Management (CRM)/Sales Force Automation (SFA) for community financial institutions, and VSoft Corporation, a global provider of financial technology solutions, today announced a partnership.

Under the agreement, VSoft will offer CoreTrac’s ResourceOne, a feature-rich CRM/SFA solution, as part of its core processing platform, CoreSoft. ResourceOne will manage leads and referrals, maximizing cross-sell opportunities, track goals and incentives and develop marketing campaigns for community bank and credit unions that select to leverage CoreSoft as a total banking solution.

Alan Buhler, EVP of CoreTrac, stated, “Our alliance with VSoft creates a unique opportunity to offer powerful, integrated, easy-to-use CRM/SFA to VSoft customers who truly care about achieving real business benefits from their core processing technology investment.”

“In today’s highly competitive marketplace, financial institutions must maximize every opportunity to cross-sell and manage their client base,” said Don Walton, director of business development at VSoft. “Community financial institutions realize the need for CRM/SFA is greater than ever, and more importantly, real ROI comes from selecting the right total solution. By integrating CoreTrac’s ResourceOne with CoreSoft, we can offer our customers a powerful solution.”
