VSoft to Attend Major Financial Industry Conferences Across the United States

VSoft Corporation will be on the road this spring attending CUNA GAC, BAI Payments Connect, and ICBA National Convention.

ATLANTA, February 21, 2014 - [VSoft Corporation](#), a global provider of information and technology solutions for financial institutions, announced today it will be attending some of the largest industry conferences in the United States this spring.

This spring, VSoft will showcase their image-based check and payment processing solutions at CUNA GAC in Washington, DC, ICBA National Convention in Honolulu, HI, and BAI Payments Connect in Las Vegas, NV. VSoft is one of the few financial technology vendors that offers scalable solutions on a truly unified platform. VSoft solutions feature flexible architecture designed with multi-institution capability from the outset, which is ideal for growing institutions. VSoft invites attendees to stop by their booth to find out more about their remote deposit capture, image based-check, and core solutions.

“We enjoy meeting representatives of financial institutions and learning about the challenges they face,” said Murthy Veeraghanta, Chairman and CEO of VSoft Corporation. “Our goal is to address those pain points and provide a solution that makes sense based on their needs and future plans.”

About VSoft Corporation

VSoft Corporation offers core and payment-processing solutions on a unified platform that improve service, reduce cost and maximize efficiency for financial institutions. Its solutions provide seamless, real-time, high-volume and high-performance transactions across multiple channels and can be delivered in-house, or as an outsourced ASP or SaaS model to best meet the needs of individual financial institutions.

VSoft’s services have been trusted by more than 2,600, credit unions, banks and savings institutions and data centers worldwide. For more information call 770-225-7692 or visit www.vsoftcorp.com.
