VSoft Corporation Selected by First Federal Lakewood for Remote Deposit Capture Solutions

ATLANTA, May 13, 2014 - VSoft Corporation, a global provider of information and technology solutions for financial institutions, announced today that First Federal Lakewood, the largest independent mutual bank headquartered in Ohio, has selected VSoft's Branch Capture and Merchant Capture solutions.

"The VSoft solution offers First Federal Lakewood and its business customers an easy to use and flexible platform for remote deposit capture," said Deborah Brauer, AVP and savings service manager. "First Federal Lakewood and our customers also benefit from VSoft's commitment to continuous investment in their check and payment processing platform."

First Federal Lakewood will leverage VSoft's data center, VServe, which provides full item and data processing services and features high capacity network systems with a dependable infrastructure. In addition to the capture solutions, the First Federal Lakewood will also benefit from VSoft's Returns and Archive/Research services.

"We are excited that First Federal Lakewood selected VSoft for their remote deposit capture needs", said Murthy Veeraghanta, chairman and CEO, VSoft Corporation. "VSoft has been fortunate, especially in recent months, to add new institutions to our family of clients that are not only looking for modern technology, but are also in search of a company that is committed to quality service and continuous advancement of their product offering. First Federal Lakewood can count on VSoft to deliver on each of these fronts."
